

PUBLIC NOTICE
YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA

The Arizona Department of Environmental Quality (ADEQ) has reached a preliminary determination and is proposing to issue the following air quality control permits:

Air Quality Control Renewal Permit No. 42253 to FNF Construction, Inc. 115 S. 48th St., Tempe AZ 85281 for a Concrete Batch Plant facility located near I-40 and Milepost 148, Ashfork, AZ, Yavapai County, Arizona. The proposed facility is subject to the requirements of the Federal Clean Air Act, Arizona Revised Statute 49-426, and the Arizona Administrative Code, Title 18, Chapter 2, Article 3, 6, and 7. This proposed Permit will limit emissions of the following types of air contaminants: particulate matter, carbon monoxide, volatile organic compounds, sulfur dioxide, and nitrogen oxides.

Air Quality Control General Permit for Generators. The proposed re-issuance of the General Permit is to include new federal standards. This is an extension of the original public notice that began on August 15, 2007. Facilities covered under the General Permit are subject to the requirements of the federal Clean Air Act, Arizona Revised Statute 49-426, and Arizona Administrative Code, Title 18, Chapter 2, Articles 3, 6, 7, 8, and 9. The proposed General Permit will limit emissions of the following types of air contaminants: nitrogen oxides, sulfur dioxide, carbon monoxide, volatile organic compounds, and particulate matter.

Materials related to Permit 42253 and the General Permit are available for your review at ADEQ's office at 1110 West Washington Street, Phoenix, Arizona, at the ADEQ Northern Regional Office, 1801 W. Route 66, Suite 117, Flagstaff, AZ 86001, and at the ADEQ Southern Regional Office, 400 West Congress Street, Suite 433, Tucson, AZ 85701.

Persons wishing to submit written comments or request a public hearing have until October 22, 2007, to do so. Comments and/or requests should be directed to: Director, Air Quality Division, ADEQ, 1110 West Washington Street, 3415A-1, Phoenix, AZ 85007.

ADEQ will hold a public hearing on the General Permit for Generators on Monday, September 17, 2007, at 6:00 p.m. at the ADEQ building, room 250, 1110 West Washington, Phoenix, Arizona 85007, as was scheduled as part of the original public notice. A second public hearing for the General Permit for Generators will be held on October 22, 2007, also at the ADEQ building, room 250, 1110 West Washington, Phoenix, Arizona 85007.

Written comments shall state the name and mailing address of the person, shall be signed by the person, their agent or attorney and shall clearly set forth reasons why the permits should or should not be issued. Grounds for comment are limited to whether the permits meets the criteria for issuance spelled out in the state air pollution control laws or rules. Comments should be directed to: Director, Air Quality Division, Arizona Department of Environmental Quality, 1110 West Washington Street, 3415A-1, Phoenix, Arizona 85007-2935 and must be received by October 19, 2007.

ADEQ will consider all comments received in making a final decision on the proposed permits. Everyone commenting will receive notification of the final decision. People who file comments on the permits will have the right to appeal the final decision as an appealable agency action to the Office of Administrative Hearing (OAH) pursuant to §41.1092.03, and the appeal must be

filed within thirty (30) days after the issuance of the final decision. The OAH may sustain, modify, or reverse the final decision.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Linda Morrison (602) 771-4794 TDD phone 771-4829. Requests should be made as early as possible to allow time to arrange the accommodation.

If you would like to receive copies of future public notices of air pollution control permits, please provide a typewritten or a clearly printed copy of your name, address, and ZIP code, to the Director of Air Quality Division at ADEQ's address shown above. Your request should also state that you wish your name to be placed on the air quality permit mailing list.

If you have any questions or would like to find out more information about the referenced permits, please contact Trevor Baggione at (602) 771-2321 or at ADEQ's address shown above.
